

INSTRUCTIONS FOR SUBMITTAL OF A NOTICE OF INTENT TO DISCHARGE FOR A TYPE 2 GENERAL PERMIT

INSTRUCTIONS

Every person who applies for a Type 2 general permit, as provided by Arizona Administrative Code (A.A.C.) Title 18, Chapter 9, Article 3, must file a Notice of Intent to Discharge (NOI) required by A.A.C. R18-9-A301(B). In addition to this form, applicants must complete the appropriate NOI Supplemental Form. A separate NOI form and NOI Supplemental form must be completed for each discharging facility (i.e., unit, discharge point) intended to be covered under a general permit. A person intending to operate under a general permit must comply with all the provisions of the general permit and other applicable requirements of statute and rule.

GENERAL INFORMATION

A Type 2 General Permit requires notification to the agency of activities to be conducted. A Type 2 general permit does not require an ADEQ response, however, ADEQ will send you a notice confirming receipt of your NOI. If you do not answer all of the questions, your submittal will not satisfy the requirements in A.A.C. R18-9-A301(A)(2) or R18-9-A301(B) and your activities will not qualify for coverage under a Type 2 general permit.

A Type 2 General Permit needs to be renewed as follows:

SUBMITTAL REQUIREMENTS FOR MULTIPLE FACILITIES LOCATED AT THE SAME LOCATION

A separate NOI and supplement must be submitted for each facility (drywell, stockpile, etc.).

HOW LONG DOES IT TAKE

As soon as you submit the application requirements listed above you are covered by this general permit. As mentioned above, ADEQ will send you a notice confirming receipt of your NOI.
